SQUADDING

PRE-SQUADDING INFORMATION

Do to the COVID-19 pandemic we encourage shooters to pre-squad on presquad.com. Please visit motraps.com where we have added an attendance tab to the event calendar and let us know if you plan to attend. This will help us manage the shoot to serve you better.

The MTA will offer pre-squadding for this shoot using the Internet website www.presquad.com. This is a very easy system to use which lets you pick your own squads. You can return to the website anytime to look over the pre-squadded shooters. Pre-squadding will start June 12, 2020 and end on July 3, 2020.

50 TARGETS PER FIELD

All events will be shot 50 targets per field. Banks are numbered from west to east. The numbers on the trap houses will not change for the duration of this shoot.

RELOCATION OF SQUADS

Please note that squad hustlers have the authority to move squads to different nearby traps at any time. This will be done in an effort to expedite the progress of events.

SHOOTERS MUST SQUAD RESPONSIBLY

Every attempt will be made to fill handicap squads. Squadding at one position in handicap events, and then actually shooting at a different position for squad can create yardage conflicts on the firing line. When squadding or returning unused posts, please remember that your actions have an impact on other shooters, in addition to yourself. Shooters that earn yardage during the shoot should check to make sure there are no conflicts with their present squads.

The advertisement features a photograph of the Mexicali Blues restaurant building at the top. On the left, there are three items: "Lake's Best TACO Tuesday (\$1.00 Tacos ALL Day!)", "Home of the Lobster Taco", and "Happy Hour Every Tuesday - Friday 4-6pm". On the right, there are three items: "Dreamicle Margaritas & Delicious Traditional Margaritas", "Homemade Mexican Food & World Famous Salsa", and "Outdoor Seating". W.F.J. FIENUP HANDICAP EVENT 5

It is with great pleasure that the MTA recognizes Mr. William F.J. Fienup (better known as "Uncle Bill" to many) by naming an event in his honor at our State Shoot. Mr. Fienup was born on a farm near New Melle, Missouri, on December 16, 1890 and passed away on June 26, 1978. He took up trapshooting when he was 45 years of age, winning among many others, the Missouri State singles in 1946, doubles in 1947 and numerous trophies at the Grand over his 30 plus years attendance, remaining an active shooter past his 86th birthday. He held the Missouri high handicap average in 1937, 1940 and 1941. He was a very successful businessman in the can producing industry as President and Chairman of the Board of the R.C. Can Company which became the largest composite can company in the United States, due mostly to his ingenuity and inventions. He credited the sport of trapshooting with his success in business, believing that trapshooting trains and develops the brain by requiring concentration and practice.

Mr. Fienup's picture appeared on the cover of our programs for several years. He was single-handedly responsible for making it possible for the MTA to have permanent home grounds since 1968. He had great visions for this ground to be used for the sport of trapshooting and we strive to meet his expectations. Through his unprecedented generosity, as shooters, we have all benefited from his unselfish desire to promote our great sport. In 1967, he created and funded the Foundation For the Junior Trapshooters of Missouri, Inc., making it possible for literally thousands of Missouri youth to be introduced to trapshooting. This Foundation continues to be operated by the Fienup family and generously supports youth trapshooting.

Mr. Fienup exemplified the true spirit of a trapshooter when he said, "Trapshooting has been mighty good to me socially and in business, and whatever contribution to trapshooting I have been able to make are small compared to the benefits I have derived."
